PRESIDENT'S MESSAGE

The Acalanes student body completes its ninth year with its membership at an all time high. More important than actual numbers, however, is the fact that the school spirit has also reached a new peak. This has been reflected in your enthusiastic participation in athletics, both on the field and in the bleachers; your willingness to work on all phases of our student body program, and the general friendly atmosphere that prevails around the school.

The success of our student body has rested in your hands. Congratulations, on a job well done.

—BILL MORRISH

PRINCIPAL'S MESSAGE

Once again the AKLAN brings you the record of the past year's school activities. You will enjoy your yearbook now and even more in years to come.

It is important that students engage in many types of activities during their high school careers. It is even more important that through these activities you develop those attitudes so important in a well balanced personality: loyalty, initiative, good sportsmanship, and consideration for others.

Undoubtedly our student body's fine spirit and correct attitudes are closely connected to the activity program which this yearbook records.

—NEIL M. PARSONS

DEDICATION

The AKLAN is dedicated this year to a teacher much loved by all her students. This woman has given generously of her time and ingenuity since she came to Acalanes in 1942.

She goes about her many activities so quietly that people are often not aware that apart from her daily art classes, she is advisor to the C.S.F., Acalhonors and stage crew groups. Her art department is almost perpetually busy with art work for dances, campaigns, plays or almost any affair at school or in the community.

She is a favorite with all who know her because of her cheerful and patient disposition, liberal mind and gentle sense of humor which make her unforgettable.

It is with great pleasure that we dedicate the 1949 AKLAN to Vera Richardson.

FACULTY

Dons and Donnas are especially fortunate in having an outstanding faculty. Their first wish is always to help students with their problems and encourage them to be more capable and active people upon graduating. They are not just teachers but are real friends of their students. Even after graduating, students often return for advice and a friendly visit.

This year two more counselors were added to the counseling staff to provide two counselors for lowerclassmen and two for upperclassmen. Many kinds of counseling are provided for the students. Tests are given to determine individual abilities and achievement. Movies are supplied through the audio-visual department to enlarge on the methods of teaching. Vocational counseling is also given freely.

BOARD OF TRUSTEES

These men, to whom the welfare of Acalanes is entrusted, are very necessary to the running of our school. Serving without pay, they spend much of their valuable time looking for sites and planning for new schools, determining the policy, and approving the course of study, daily schedule and textbooks for Acalanes. Most of them have been closely connected with Acalanes through their own children. They are elected for staggered terms of three years. Being successful business and professional men also, they are known by the parents of the community to be capable and intelligent.

NON-CERTIFICATED STAFF

Our non-certificated staff certainly deserves a vote of thanks for all they do to keep our grounds and facilities in top top form. With over eight hundred students in and out of Acalanes daily, their job is never done.

THE STUDENT COUNCIL

The Student Council had a very successful year and was able to put many new ideas into action. The establishment of an annual football trophy between Acalanes and Diablo was finally accomplished. A Rally Committee was formed to be a continuous group for planning or assisting at rallies, assemblies, games, and many other affairs where the leadership of a central organization is needed.

Class Assemblies, voted by last year's Student Council, were a new treat this year. The Junior and Senior Classes each gave a program drawing solely on its own talented members. Dons and Donnas were well entertained by their clowning fellow classmen.

An exchange assembly with Alhambra High school was held during the first part of the new year. In December, before Christmas time, a drive was held for food and clothing for the needy. This drive, lasting two days, was a big success. Boxes and boxes of food and clothing were sorted in the new Mechanical Drawing

room. Miss Bassignan's advisory, having been judged the winners of the contest, were guests at the party given to the winning advisory after the drive.

In May the regular student body elections were held. The following candidates were elected to office: President, Marshall Freeman; Vice-President, Lloyd Torøhio; Secretary, Nancy Carlson; Treasurer, Karen Aaltio; Social Secretary, Barbara MacMahon; Girls' Yell Leader, Janet Jansse; Boys' Yell Leader, Fred Read.

LEFT TO RIGHT: L. Amason, V. de Laneaux, secretary, D. Laney, J. Davis, B. Morrish, chairman, L. Russell, adviser, J. Field.

SENIOR CLASS '49

OFFICERS
John Klauder, President; Barbara Lusebrink, Secretary; Joan Green, Treasurer; Dave Johnson, Vice President; Nancie Miller, Social Secretary.

After four years of school work and school life, the Class of '49 is worthy of an honored spot in Acalanes history. Proof positive that they could entertain was the forty-niners' successful Senior Assembly. The wonderful Senior Play, "Our Hearts Were Young and Gay," brought forth their dramatic abilities. All class dances were well received and pronounced successes. This, of course, is with a special emphasis on the Senior Ball, "Enchantment"—a land of Fantasy. At the "Gay Nineties" Junior-Senior Banquet, as juniors, they gave quite a performance. Their abilities surely stack up with the best.

ACTIVITIES

GIRLS' LEAGUE

Upon entering Acalanes each girl automatically becomes a member of the Girls' League. This organization was formed to promote a closer relationship among the girls, better sportsmanship and citizenship.

The organization this year sponsored the annual Parents' Club membership drive and the March of Dimes. The Mothers' and Daughters' Tea, which was the group's largest event, featured a fashion show in which the girls modeled clothing for all seasons which they had made themselves.

BOYS' FEDERATION

The Boys' Federation organization is similar to that of the Girls' League in that all Acalanes boys are automatically members. Most of the business is transacted in the cabinet. The aims of the Federation are to stress good sportsmanship and promote athletic participation. Activities this year included a basketball clinic and the showing of the Rose Bowl movies. The annual Fathers' and Sons' Banquet in June was the big event when Dons brought their fathers to dinner at Acalanes.

C. S. F.

The Acalanes chapter of the California Scholarship Federation is advised by Miss Vera Richardson. Stanford University was chosen this year for the chapter's annual college campus visit. The group had a very interesting time acquainting themselves with another college campus. Later in the year, the group sponsored its annual dance to raise money for the scholarship which is presented to one of its senior members annually. Students receiving three A's and one B are eligible for membership in the C.S.F.

ACALHONORS

Advised by Miss Vera Richardson, Acalhonors is one of the two school scholarship societies. This year both scholarship groups were larger than before, there being approximately 104 in the Acalhonors group. Students who have received at least three B's and one A for the semester are eligible for membership.

DANCE

For their first performance of the year the Dance Group, under the direction of Millicent Hamburger, presented their traditional Christmas program. It consisted of two parts, the first of which was devoted to the gay side of Christmas. In the other, the group re-enacted the original Christmas story in their portrayal of the nativity with Nancie Miller and Barbara Lusebrink assuming the leading parts.

Other outstanding dances were the Katchaturian "Masquerade Suite" Waltz, Dvorak's "Slavonic Dance," and the "South African Veld Songs."

DRAMA

This years' Senior Play was one of the biggest successes of the year, providing a laugh-packed evening for the audience. Adding to the success of the production were set furnishings managed by Nancy Macomber, costumes by Linda Hickox, and properties by Joan Potter. Virginia Findlay and

Ines Robertson turned in professional performances in their difficult roles. Other principal parts were: Otis Skinner, Keith Brannan; Mrs. Skinner, Betty Gibson; Monsieur de La Croix, John Klauder; Leo McEvoy, Ted Fry; Dick Winters, Bliss Green. Completing the cast were: Marie Buskirk, Dan Dalbey, Judy Dunlap, Jim French, Mario Ganio, Joanne Guldenzoph, Linda Hickox, Nancy Johnson, Susan Ley and Kern Matlock.

The drama activity of 1948-49 directed by Miss Ruth Ellis produced five three-act plays and prepared several others. All of these plays were comedies because of the group's love of comedy and the type of audiences to which they played. "Stoney's Bride," "Pot Luck," "Candy Goes On a Diet," "Curses, theVillain is Foiled," and "When Shakespeare's Ladies Met" were presented by the group.

HANDBOOK

The Acalanes handbook is an organized, detailed index of the activities, classes, faculty, rules, and regulations of the school. It is published every year and distributed to each student at the beginning of the school term.

This year's book was changed in size, color, shape and cover design. The division pages are new; photographs and a course of study have been added. The staff has no editors but is under the direction of Mr. Wilson Sanchez. John Coulson and Allen Knight did all the new art work in the 1948-49 handbook.

JR. RED CROSS

The Acalanes Chapter of the Junior Red Cross was first organized in 1947 when the Walnut Creek Chapter sent three delegates to the annual summer training camp. With the money from their membership drive, the 1947-48 council bought games and athletic equipment for the Juvenile Hall in Martinez. They also made tray favors for the Camp Stoneman Hospital as a Christmas project. The annual membership drive in November of this year netted about $115. This money was used to assist further the Martinez Juvenile Hall.

A SWIMMING

The "A" swimming team was partly handicapped this year with the early loss of its star, Marshall Freeman. Although two wins and five losses went down on the record, the Dons walked away with the county championship for the sixth year in a row. Five new county records were set by Symes, Raines, Iverson, Blalock and Macomber.

B SWIMMING

This year Acalanes had the most powerful "B" swimming team in its history, racking up win after win and not losing one meet. The mainstays of the team were Tony Biggs, Rod Iverson, John Rounds, Jim Macomber and Jerry Blalock. In the Diablo meet Blalock set a new record of :34.7 in the 50-yard backstroke.

At the county meet the "B" team climaxed the season by taking first place.
